

BARRACUDA

AQUATICS CLUB

WE ARE BAC!
AND SAFE!!

Looking for NEW members of all swimming abilities. Year-round programming offered.

The Barracuda Aquatics Club promotes the development sportsmanship and team work in ages 6-18. We believe in positive attitude, both in competition and throughout all aspects of training and preparation. We provide recognition and resources to motivate and assist members to strive for the highest ideals of athlete performance in and out of the water. Each swimmer will learn the four competitive swimming strokes plus racing turns and starts. Your swimmer will see improvement throughout the season.

Over 100 BAC swimmers have been back in the water!! Are you next? Want a safe COVID-19 sport? CDC says, "There is no evidence that the virus that causes COVID-19 can be spread to people through the water in pools". BAC has established COVID protocols that have allowed us to continue our swim club operations with NO COVID outbreaks from our practices since June 2020.

Come and get evaluated by our coaching staff on an **Evaluation Night anytime during the season**. You can also sign up for a **free Two-Week Trial** anytime during the season. E-mail Jeff at MNFECDUDAS@aol.com for further info on Evaluation Nights and how to get started. Or, visit our web site at www.baccudas.org.

Barracuda Aquatics Club is one of the most reliable programs in Minnesota since its inception in 1961 as Bloomington Aquatics Club. We have locations in Shakopee and Bloomington. Our philosophy is very simple ... **Swim. Laugh. Grow. Succeed... for life.**

.....
